After payment of balances due on contracts for 21,385.14 available for further buildings. Russell & Co., Agents. Shanghai, 30th December, 1882. The CHIRMAN said—Gentlemen, there is very little to bring before you beyond what is brieff stated in the report which I have just read Considering the difficulties which have generally to be met and overcome in the starting of any

new enterprise, and that the premises of the Company may be said to have been in the builders' hands since its formation, I trust that you will consider that even so small a profit as the balance carried forward to the credit of the new account to be a satisfactory result for the work. ing of the first few months and to hold out favourable prospects for the future. The storage accommodation from the first was limited much so that we had at times to let proposed business go past us from inability to undertake t. The alterations, repairs, and improvements to the godowns existing when the property was taker over were necessary to make them firstclass risks for purposes of insurance, and the two new godowns are strong, well built buildings, specially constructed to meet their requirements. Further buildings will be erected whon needed, and it may not be out of place to mention here that we can, when the time comes, reclaim and fill in at least 40 mow of land, so that our area will be considerable for building and for the purpose of storing out-of-door cargo. The wharves are now connected, and with the new wharf staging, there is a continuous wharf frontage of to see the ap which he creates so well and quickly tops are carpeted with tiny star-like Tulips. 1.143 feet, and the depth of water at the lowest | filled. tides is amply sufficient to allow of any of the largest vessels or steamers that come to the port to discharge alongside. While I know that it is likely to take some time to overcome a prejudice which no doubt exists against the Pootung side of the river for the purposes of a proportion of the trade of the port in the moving of goods is done by water and cargo boats, I do not consider that I am too sanguine in thinking that we shall eventually get a certain share of such business, for I think that it can only be a question of time and trial to show that any inconvenience or the advantages of one side of the river to the other for such purposes to be more imaginary than real. From the amount of Tis. 21,385.14, mentioned in the Report as available for further buildings, there will have to be deducted the sum of Tls. 1,517,41 for

the architect's commission on the contracts al ready entered into, the account, by an oversight, not having been presented until the Report had been circulated. In conclusion I have only to say that the business is increasing, and that I believe it will continue to do so. After a panse,

TIENTSIN.

The only political topic which is exciting the minds of our Chinese friends is Tonguin. They doubt that France will venture to send the expedition spoken of in recent telegrams, not believing that that country is likely to take so great a liberty and incur all the responsibilities that would accrue therefrom. No news has

resolved as from Korea. Mr. Chester Holcombe has arrived here from P obang on bound of one of Mr. Charles B. Hill's affixed an aunouncement to the gate of his Yamea rangements they could under the circumstances. which is creating a little interest. It has been the The Dean has not resigned, and the Trustees practice of the hunsi banks here not to pay in are probably in such a position in regard to him oash but in orders on other banks in the place, and these again pay by drafts upon other banks. By this mode of doing business the holder is very lucky if he get his money in ten days; and even if he is paid in that time he has to submit to a discount of from Tls. 3 to Tls. 5 per Tls. 1,000. Now of course the owner of the draft wants cash, and the 'Pao-t'ai has ordered Groves intimated some time since his wish to take | cash to be paid at once. This is a step in the right direction. The abuses it will do away either to him, or to the congregation, that any with are in a great near are due to the system of the native banks introduced by the late Taot'ai .- who had his money out among the native object in view, the Trustees have made arrange- | bankers, which contributed a good deal to the bad trade of the last three years.

The Chinese are beginning to fear for their spring crops, as no snow has fallen since last November, and the officials are busy at the various temples praying for it. A good number of missionuries have put down their names for a foot-ball match which is to be played here to morrow. It is said that Messrs. G. W. Collins & Co. have contributed the hand-

some sum of Tis. 100 to the expenses of the Tem-

perance Hall .- N. C. Daily News Correspondent.

THE FLORA OF FORMOSA

We extract the following from an interesting however, the Dean's resignation is indispensable, report on the Flora of Formosa by Mr. Hancock. and it may even happen that the Dean himself of the Imperial Maritime Customs Service:-From the position of North Formess-about e will do so. The Rev. F. R. Smith is said to latitude 25, and the generally received ideas as supposed that the district would exhibit a floraherit not a few of the genial qualities that enof considerable variety at least rivalling that of deared the Dean to his congregation and made | the mainland. This, bowever, I have not found The Charrman next read the printed report his departure severely felt. The Rev. Mr. Smith to be quite the case. Whilst it affords a few is personally known to not a few of the Cathedral links with that of Chakking and more with that of Fuhkien, it is, nevertheless, unlike either of them, and shows stronger affinities with that of Hainan—in fact, the litteral portion is almost. identical. A forest scene in North Formosa (in the savage territory) is about the most typical Our usually quiet port has been stirred up representation of semi-tropical vegetation that with a vengeance these last two days by the ar- | one could conceive. It suggests some of the rival of the U.S. man-of-war Ashuelot. When richest glen scenes of Chehkiang carried several she came in the usual salutes were given, and stages forward, but stopping short of the luxurithe various Consuls similarly honoured as they lance of the Eastern Archipelago. may be posted on board the Packet-with Late Fee of 10 cents extra Postage until the time MONEY LETTERS. Public attention is called to the following extract from the Hougkong Postal Guide

"The Post Office declines all responsibility for unregistered Letters containing Bank Notes &o. and, where Registration has beninerlation. WILL MAKE NO ENQUIRIES into alleged losses of such letters."

Boxes of letters are sometimes received at the

Post Office not sealed, that is to sav, the box is fastened with sealing wax, but there is no impression of a scal. The attention of boxholders is called to the necessity of carefully sealing such boxes with some recognisable seal, and of sending a chitther the contents of the box over reached the whether part of them might not have been ab-

stracted for the sake of the Postare Stamps. No responsibility can be accepted by the Post Office for erroneous replies to verbal enquiries. or to notes addressed to subordinate officers. The shroffs told off to sell stamps should especially not be regarded as able to give correct information. The Postal Guide alone is the standard on all points on which such information may be

LETTRES FOR THE UNITED STATES BY SAILING When it is desired to forward letters to the

post the letters in the ordinary way, marked with the name of the ship, and prepaid 10 cents per half ounce as usual. The Post Office then undertakes the duty of obtaining notice of departure and despatching the correspondence. It is requested that the letters be posted if possible at least one day before the date fixed for sailing

LOCAL AND INDIAN PARCEL POST. 1.—Small Parcelsmay be sent by Post at Book-Rates between Hongkong and any of the British Post Offices in China, as well as to Japan. Macao. Pakhoi, the Straits Settlements, Cevlon and India. They must not exceed the following dimensions, 2 feet loug, I foot broad, I foot deep, weigh more than 51bs, nor he smaller than 3 in, by 2 in, by 2 in. Such parcels may be wholly closed if they bear this special endorsement. Parcel, containing no letter, but any parcel may be opened by direction of the Postmaster General. In the Case of Parcels for India a declaration at contents and value is required, a printed form for which is supplied gratis. The Registration of Parcels for India and Caylon is compulsory.

RATES OF POSTAGE. Letters, per 5 95. Post Cards, each 3 Cents Books, Patterns, and Commercial 2 Cents. Papers, per 2 oz. Newspapers & Prices Current, each 2 Cents. Registration 10 Cents.

Do. with return receipt ... 15 Cents. Commercial papers signify such papers as. though written by hand, do not bear the charac-The "Trade Report" has a large circulation Volumes, Dan. str., Heintzelmann.—Siemssen | ter of an actual or personal correspondence, such as invoices, deeds, copied music, &c. The charge Whativostook, Russian atr., Chavelorsky -- is the same as for Books, but all packets of and under 4 on, weight are charged 5 Cents.
